ALPHABETICAL SYMBOL

AU **Audit.** This symbol denotes that a student has registered, attended lectures and has sat for the course examination.

M **Satisfactory.** This grade alphabet is given to the result of courses which are not graded but indicated as a pass.

TM **Unsatisfactory.** This grade alphabet is given to the result of courses which are anot graded but indicated as fail.

S **Continue.** This alphabetical symbol is used for any coursework or project that requires more than one semester to complete. A coursework or project given an 'S' symbol is not given a grade point and its credits are not considered for graduation requirement but only for determining the minimum credits taken in a semester. Credits and grade point for coursework and project will only be considered for the purpose of computing the total credits for graduation and the grade point average when the 'S' symbol is replaced by an alphabetical grade.

TL **Incomplete.** This symbol shows that the student is unable to fulfill part of the requirement of a practicum course such as a industrial training or teaching training. The student shall be given time until the second week of the following semester for completion the course in order to get the full evaluation and grading.

FAIL A COURSE

1. The final two semester students who fail a course may be given the opportunity to resit for the final examination for the course.

2. A grade F (fail) obtained in any course is not included in the computational of Grade Point Average when a student passess the reprated course. A grade F (fail) will only be included in the computational of the Grade Point Average should the student fail the repeated course.
